

DECORATED EGGS

Eggs are decorated for a variety of reasons, but mostly because they are given as gifts of good luck and wellbeing. In the 1800s, the Russian Tsars made decorated eggs fashionable when they had a jeweller (Faberge) create decorated eggs out of precious metals and jewels to give as gifts to family members.

The eggs below are made up of a variety of different shapes. Each shape is worth a certain number of points. Can you find what each egg is worth?

Oval = 1 points

Square = 2 points

Circle = 3 points

Triangle = 4 points

Rectangle = 5 points
